

C- Order of Cross-Examinations

With respect, you have it backwards. I will provide you with the order in which I wish to examine witnesses. I have stated that I wish to examine David Simmons first and cannot bind myself as to how long I will be with any witness. I have to deal with 8 witnesses over the course of 6 days when I anticipated I would need two weeks and they should not be dictating the schedule. I will give you the rest of the schedule shortly but given the tight timetable all counsel should make sure that everyone is available at all times that week to avoid any loss of time that may arise because of unforeseen circumstances.
