

I will call you on the 26<sup>th</sup> when I am back in Canada.

We are entering hurricane season so there will be some challenges dodging around them as necessary.

Regards, Bill

Hi Bill;

Further to our telephone conversation of Monday I look forward to receipt of your e-mail setting out the terms of our arrangement. Please include the protocol you require for monthly payment of the retainer. I also await receipt of Denis' e-mail address and telephone number to enable me to be in contact to make arrangements to proceed with the Campaign Plan.

Regards Paul.
