Dear Sir

**I am NO Idiot**

Sandals have declared the Barbados Rum they offer their guests is Mount Gay Black Barrel Rum, a Rum brand released by Mount Gay to celebrate their 312<sup>th</sup> Anniversary and advertised by Mount Gay as a "small batch handcrafted blend made of aged column distillates" for a promotion from 20<sup>th</sup> to 27<sup>th</sup> February 2015.

And without publishing a photograph showing the many cartons of this brand of Rum held in storage at Sandals and perhaps a copy of an invoice as proof of purchase, your newspaper has instead berated my Claim that the Rum offered exclusively at Sandals is indeed Appleton Jamaica Rum.

Sandals come again, I am **NO** idiot!

Kind regards

Yours faithfully

**Sir David Seale**
