Dear Sir,

**Re.: Request for Duty Free Concessions**

I am in receipt of your Ministry's correspondence Ref No. 5028/5/4/15 T20/2/8 Vol. 1 dated January 19th, 2016 on the captioned subject.

As has been clearly outlined in previous correspondence on this matter, duty-free concessions are vital for F.O.M. to continue to develop our motor sport tourism products as demonstrated by our company's performance since 2001 and mandated by the Gov't Task Force on Motor Sport in 2006.

As the attached correspondence previously sent to your office clearly demonstrates, we have removed all obstacles to granting duty free concessions outlined by your office.

Further, we are aware that concessions similar to those we are seeking have been granted to Bushy Park circuit.

We would like to know the reason for your refusal so we can take advice on the matter and decide our course of action.

Yours truly,
